Subject: HCP COVID-19 Vaccination Measure Data Now Available on Inpatient
Psychiatric Facility Quality Reporting (IPFQR) Facility, State, and National Report

An announcement from the Centers for Medicare & Medicaid Services (CMS):

COVID-19 Vaccination Coverage Among Healthcare Personnel (COVID HCP) measure data is now available to view on the IPFQR Facility, State, and National Report via the Program Reporting > Performance Reports navigation menu in the HQR System. The report is available in a CSV format and includes data reported by the CDC beginning with FY 2023 data.

To access this report, you'll need the *Performance Report* permission for the IPFQR program. This permission is automatically granted to Security Officials (SO), but Basic Users must request the permission. You may request this permission by logging into the HQR System, navigating to your profile, and submitting a 'Request Change in Access'.

To download the IPFQR Facility, State, and National Report please log into the HQR System with your HARP ID.

1. From the navigation menu, click **Program Reporting**.

2. Select *Performance Reports*.

3. Under the Program dropdown, select **IPFQR**.

4. Select the appropriate **Fiscal Year**.

5. Select the appropriate **Providers** if applicable.

6. Click **Export CSV** to download the report.

As we continue to enhance the HQR system, we'll keep you informed about any changes.
